MR. SAILOR: With Global Tel Link,  
my voice is my password.

AUTO ATTENDANT: Please enter the area  
code. Please hold. Please wait while your  
call is being connected.

Hello, this is a prepaid call from --

MR. SAILOR: Enrico.

AUTO ATTENDANT: -- an inmate at the  
Southern Ohio Correctional Institution. To  
accept this call, press 0. To refuse this  
call, hang up. Your current balance is \$5.03.  
This call is from a correction facility and is  
subject to monitoring and recording. Thank  
you for using GTL.

MR. SAILOR: (Inaudible) coming  
out right now. Coming out right now.

MS. SAILOR: Oh my God. Okay.  
it's too loud. Alright.

I don't feel like doing your hair.  
Either do what I said or I'm not. Five, four,

1 all right, I'm not doing it now then. Okay, I  
2 can go get my own headphones, but I'm not  
3 doing your hair. I'll just go talk in my room  
4 with the door shut. Turn the TV off then, so  
5 I can hear him loud and clear. Throw my  
6 remote -- back up. Lift your hair up. Now  
7 back up. Stop.

8 MR. SAILOR: What's up?

9 MS. SAILOR: Hey.

10 MR. SAILOR: What?

11 MS. SAILOR: I said, hey.

12 MR. SAILOR: I thought you said,  
13 bae, like I did something wrong. Did Andrew  
14 call you?

15 MS. SAILOR: Yeah.

16 MR. SAILOR: They called me today.

17 MS. SAILOR: I got you on  
18 speakerphone because I'm taking Paige's hair  
19 out, so tell me all about it.

20 MR. SAILOR: Man, I don't know,  
21 man. I don't know if I dropped the ball or  
22 not, man.

23 MS. SAILOR: What?

24 MR. SAILOR: Because they wanted  
25 to know, like, what we even talked about,

1 exactly when.

2 MS. SAILOR: Uh-huh.

3 MR. SAILOR: And I couldn't, it  
4 felt -- Jennifer wasn't there. It was him and  
5 Ruby. But I couldn't remember, I couldn't  
6 remember what I told him, so I'm wondering in  
7 my head, like, is they asking me just to go  
8 over what I told him on the visit, you know  
9 what I'm saying, to see where I'm at, if it  
10 can line up. So I just told him, like, in the  
11 County. I'm like, but it wasn't it --

12 AUTO ATTENDANT: This call is  
13 originating from an Ohio correctional facility  
14 and may be recorded and monitored.

15 MR. SAILOR: It was in the County.  
16 I'm like, it wasn't no details to it. It was  
17 just, like, him and Will; you know I'm saying.  
18 Like and that was it.

19 MS. SAILOR: Right.

20 MR. SAILOR: So before you  
21 testified, like, did you know? I'm like I  
22 knew who they him Will's there, but I didn't  
23 know who did what. I just knew they was  
24 there. I'm like, but Andrew's like, I know  
25 you wasn't about to snitch on him. I'm like,

1 no, that wasn't even an option. I'm about the  
2 snitch, I'm like, so I just -- I'm like, I  
3 lied. You know what saying, that's why Kim  
4 put in my first application, that I lied about  
5 certain incidents, you know I'm saying? Like  
6 the only thing I lied about was me and him  
7 leaving in the same car together. I'm like,  
8 other than that, we all left together and went  
9 to the same bar together. I'm like, but we  
10 was in separate cars. That's the only thing.

11 He's like -- he's like, though they  
12 just want to get in front of it. They want to  
13 be on top of everything, so when they do -- he  
14 was pumped though. That nigga, Andrew, man, I  
15 like him, man, I ain't gonna lie. He was  
16 like, man, I want (inaudible) --

17 MS. SAILOR: So you don't feel --  
18 you don't feel bad about that then?

19 MR. SAILOR: No, 'cause they kept  
20 reassuring me, like, no, we're not saying it's  
21 your fault. We know how it goes. Like, we  
22 know. We be like, man -- but basically, he's  
23 saying the same thing I say, like, at the end  
24 of the day, like, you wasn't there. Like, you  
25 were in prison for a time --

1 MS. SAILOR: So what about  
2 Cordell's affidavit then?

3 MR. SAILOR: That's the part I  
4 forgot. I ain't think about that, 'til I got  
5 back in my cell. Like, is it gonna  
6 contradict -- but I feel like there's so much  
7 shit on top of that; you know what I'm saying?  
8 They can look at that as a minor misquote; you  
9 know what I'm saying?

10 MS. SAILOR: How?

11 MR. SAILOR: Huh?

12 MS. SAILOR: How?

13 MR. SAILOR: On his end, like you  
14 know what I'm saying?

15 MS. SAILOR: On Cordell's end?

16 MR. SAILOR: Yeah, like oh, yeah,  
17 I thought I told him after, but I told him  
18 before, like, you know what I'm saying? Like  
19 he was saying they thought that's not the  
20 bigger issue; you know what I'm saying? Like  
21 the bigger issue is that you and Jeff more  
22 crime than he committed, that you wasn't even  
23 there for; you know what I'm saying?

24 MS. SAILOR: Right.

25 MR. SAILOR: So he was like, um,

1           so he's like the letter -- he's like the last  
2           piece he's waiting on is to get a letter from  
3           Umar, so I didn't know if you wanted me to say  
4           how it went down or what. So I was like, no,  
5           I think the letter finished it if I ain't  
6           mistaken. I'm like, Amy said something about  
7           the letter yesterday. It's finished. I think  
8           they don't know how to give it to you or how  
9           y'all want it; you know what I'm saying?

10           I'm like, well call her. You know what  
11           I'm saying? Like, we're going to call her as  
12           soon as I hang up.

13           MS. SAILOR:           No, I called him. I  
14           was like, I met with Umar and we went over it  
15           together, and he didn't have access to a  
16           computer, so I typed it up for him and I  
17           printed it. He signed it.

18           MR. SAILOR:           They were cool with  
19           that?

20           MS. SAILOR:           He said -- yeah, he  
21           was like, can you, um -- at first, he was  
22           like, can I fax it to them, so that they could  
23           read it. And I was like, well, I can email  
24           it to you. And I was like, you guys aren't  
25           going to send the original to the Conviction

1 Integrity Unit. I said, so, would I be able  
2 to scan this and email it to you, or could I  
3 fax it to you, and then email you -- I mean  
4 and then mail you the original? I said, tell  
5 me what to do in order to get the application  
6 submitted.

7 AUTO ATTENDANT: This call is  
8 originating from an Ohio correctional facility  
9 and may be recorded and monitored.

10 MS. SAILOR: I said, tell me what  
11 to do to get the application submitted as soon  
12 as possible. He said, email it to him now so  
13 that he can go over it and then he'll give me  
14 his fax number. And then in the meantime,  
15 I'll mail it. So did you ask him like, you  
16 know --

17 MR. SAILOR: I asked him, I said,  
18 man, so what's the window? I'm like, man, I  
19 know it's hard, but can you give me a window  
20 of exactly when all this is going to be in  
21 motion; you know what I'm saying? He's like,  
22 he would prefer if Jennifer was there to give  
23 me a window precisely. He's like, but his  
24 understanding of what he can tell me, he's  
25 like, at the least two weeks. He's like, he's

1           like, that's at the least. He's like, he's  
2           like, man, he's like, just for the record,  
3           man, if this was up to me this shit would have  
4           been gone. He's like, it would have been  
5           done. He's like, but it's a process that, you  
6           know what I'm saying? They ain't in control  
7           over because they only students to a certain  
8           extent. You know what I'm saying?

9                   MS. SAILOR:           Right.

10                  MR. SAILOR:           And Jennifer is the  
11           lawyer, so he's like, man, but two weeks. He  
12           was like, once they get that letter, 'cause  
13           that's the finishing piece. Once they get  
14           that letter and polish everything off, that's  
15           it. He definitely kept saying how he wanted  
16           to -- he's like, man, I want to sit down and  
17           look O'Malley in his eyes. He's, man, he's,  
18           man, he's movies in the background, like this  
19           is all he talks about, right. All he talks  
20           about is your case, El. I'm like, man, that's  
21           what's up. I'm like, I want you to be the one  
22           to sit down with him. I'm like, that's what  
23           I -- I told him I want you to be the one to  
24           sit down to speak to me about my case --

25                  MS. SAILOR:           Did you say anything

1           about Kim?

2                   MR. SAILOR:           Huh?

3           MS. SAILOR:           You say anything  
4           about Kim?

5                   MR. SAILOR:           I mean -- who, me?

6                   MS. SAILOR:           Yeah.

7                   MR. SAILOR:           No, I didn't say shit  
8           about her. I know he was like, he was shocked  
9           that she didn't get -- she hadn't got it  
10          through about the letter shit; you know what  
11          I'm saying?

12                  MS. SAILOR:           Yeah, he was  
13          surprised with me, too. And I was like,  
14          actually, I said, I didn't know anything that.  
15          I said, you know, I just assumed you and Kim  
16          corresponded. I said, you know, I told  
17          (inaudible) --

18                  MR. SAILOR:           I started (inaudible)  
19          go ahead and finish to him anyway. I don't  
20          know what's up with her.

21                  MS. SAILOR:           No, there's one more.  
22          I said, I -- oh, this is your real hair.  
23          That's your real hair? Oh, okay, then you're  
24          done.

25                  MR. SAILOR:           What's up, Paige?

1                   AUTO ATTENDANT:     This call is  
2                   originating from an Ohio correctional facility  
3                   and may be recorded and monitored.

4                   MS. SAILOR:           So, I need to talk to  
5                   Andrew. I'm going to ask him to call me  
6                   because I need to ask him -- I just need to do  
7                   a string. I need to ask him if what you said  
8                   contradicts Cordell's statement.

9                   MR. SAILOR:           That's why I was  
10                  trying to get on the phone, really, when I  
11                  hung up with him, to call you and tell you  
12                  just hang something there, and she was up,  
13                  like, and let him know, like, I didn't get  
14                  to -- I just didn't. I meant to mention that  
15                  to him, what I did.

16                  MS. SAILOR:           Hold on. I'm going  
17                  to call Ruby real quick, because I have her  
18                  number, and maybe she's with Andrew.

19                  MR. SAILOR:           Why don't you go text  
20                  her and just see?

21                  MS. SAILOR:           Alright. Hold on.

22                  MR. SAILOR:           But, um, is that  
23                  going to be a problem? Man.

24                  MS. SAILOR:           Okay.

25                  MR. SAILOR:           Andrew told me, he's

1           like, everything -- remember last time, we  
2           talked and I gave him all my notes and shit  
3           that I've been I've been going over and all  
4           that shit?

5                   MS. SAILOR:           Yeah.

6                   MR. SAILOR:           He said that shit  
7           helped him out a lot and he put a lot of that  
8           shit in my application.

9                   MS. SAILOR:           That's good. I think  
10          -- I don't know. That's just that last part  
11          isn't --

12                  MR. SAILOR:           I'm saying I don't  
13          know how to go about, but I keep -- I told  
14          him, I'm like, man, I just kept playing like,  
15          I'm like, man, I didn't know what to do. I'm  
16          like, I didn't know what to say when I was up  
17          there. I didn't know what to do. I was like,  
18          I was scared. I was like, it's my first time  
19          being in some shit like this. And he's like,  
20          no, no, no, we understand, we is not faulting  
21          you. You didn't do anything wrong. It's  
22          like, you know what I'm saying? He's like,  
23          for real, you shouldn't even been there; you  
24          know what I'm saying?

25                  MS. SAILOR:           Right.

1                   MR. SAILOR:           He's like, we just  
2                   don't want, he's like, he's like, what we want  
3                   to do, we want to make sure that if they try  
4                   to bring it up, we already in front of it.  
5                   You know what I'm saying?

6                   MS. SAILOR:           Hold on real quick.  
7                   I don't know where the braids start. Paige  
8                   has -- I just helped Paige take her fallen  
9                   out, and I'm trying to find -- oh, it starts  
10                  right here. Right there.

11                  MR. SAILOR:           How much time do we  
12                  have left on this call?

13                  AUTO ATTENDANT:    This call is  
14                  originating from an Ohio Correctional Facility  
15                  and may be recorded and monitored.

16                  MS. SAILOR:           Four minutes.

17                  MR. SAILOR:           Four?

18                  MS. SAILOR:           Yeah.

19                  MR. SAILOR:           I shouldn't even came  
20                  out, man.

21                  MS. SAILOR:           Why?

22                  MR. SAILOR:           I don't know.  
23                  Normally, they only call a child at 4:30,  
24                  that's only ten minutes a child. But if  
25                  that's supposed to be 'til 4:25. What time is

1           it?

2                   MS. SAILOR:           4:13.

3                   MR. SAILOR:           Oh. I'm about to  
4           just hang up now and call back because you're  
5           already going to make the call.

6                   MS. SAILOR:           Alright.

7                   MR. SAILOR:           Alright.

8                   MS. SAILOR:           Bye.

9                   MR. SAILOR:           Love you.

10                  MS. SAILOR:           I love you too.

11                  AUTO ATTENDANT:    Thank you for using

12           GTL.
